2.—No Money Order to include a fractional part of a Penny.
3.—Orders drawn in the United Kingdom upon Hongkong, Shanghai, and Yokohama, will be paid at the rate of Exchange at which Money Orders are being issued at the time of their presentation.
4.—Alphabetical Lists of over 3,700 Money Order Offices in the United Kingdom, showing the Counties in which they are situated, are hung up for public reference at this Office, and also at Shanghai and Yokohama.
5.—Applicants for Money Orders must furnish, in full, the surname, and, at least, the initial of one Christian name, both of the Remitter and the Payee; if the Remitter or Payee be a Peer or a Bishop, his ordinary title will be sufficient; if a firm, the usual designation of such firm, such as "Baring Brothers," will suffice; but the mere term Messrs., such as "Messrs. Rivington," or the name of a Company trading under a title which does not consist of the names of the persons composing it, such as "Carroll & Co.," is inadmissible.
6.—The Remitter on stating that the Order is to be paid only through a Bank, to have the option of giving or withdrawing the name of the Payee; in such case, the Order will be crossed in the same way that Cheques are commonly crossed, when they are intended to be paid through a Bank.
7.—When an Order is presented through a Bank, a receipt by any person will be sufficient, provided the Order be crossed with the name of the receiving Bank, and be presented by some person known to be in the employ of such Bank.
8.—The signature of the Payee of a Money Order to be affixed to the Order in the place provided for the purpose. If the Payee be unable to write he must sign the receipt by making his mark in the presence of a Witness, who must sign his name with his address in the presence of the Officer who pays the Order.
9.—Should the Payee of a Money Order desire to receive payment in the Country in which the Order was issued, at some other Office than that in which the Order was originally drawn, the transfer will be granted, provided the Order be indorsed to the Postmaster of the Office in which it was drawn. In such case a new Order will be issued, the Commission chargeable upon which will be deducted from the amount of the original Order.
10.—In the event of a Money Order mislaid or being lost, a duplicate will be granted on a written application from the Payee, (containing the necessary particulars, and accompanied by an additional Commission) to the Office where the Original Order was payable.
11.—On the receipt of a similar application, orders will be given to stop payment of a Money Order, or to renew a lapsed Order. The additional Commission in the last case will be deducted from the amount of the new Order. Lapsed Orders must be presented with the application for a new Order.
12.—But when it is desired that any error in the name of the Remitter or Payee should be corrected, or that the amount of a Money Order should be repaid to the Remitter, or that a Lapsed Order should be renewed for payment in the Country in which the Order was originally drawn, application must be made to the Chief Money Order Office of such Country. This application must be accompanied by an additional Commission, unless it have reference to a Lapsed Order, in which case the Commission will be deducted from the amount of the new Order.
13.—Regarding whether of an original, or renewed, or a duplicate Order, will not be made to the remitter until it has been ascertained that the advice has been cancelled at the Office on which the Order was originally drawn.
14.—Payment of an Order must be obtained before the end of the Sixth Calendar Month after that in which it was drawn; for instance, if drawn in January and not paid before the end of the following January—all claim to the Money will be forfeited, unless, under peculiar circumstances, the Post Office of the Country in which the Order was drawn think proper to allow it.
15.—After once paying a Money Order by whomsoever presented, the paying Office will not be liable to any further claim. If a wrong payment, however, be made owing to negligence on the part of any Officer of the Post Office, or Colony, in which the negligence occurs will, if he see fit, require the Officer in fault to make good the loss.
16.—No Money Order will be paid unless the advice has been previously received.
17.—Additional Rules for greater security against fraud, and for the better working of the system generally will be made as occasion may require.
18.—Should it appear that Money Orders are used by mercenary men, or others, either in the United Kingdom or at Hongkong, Shanghai or Yokohama, for the transmission of large sums of money, the British or Colonial Post Office, as the case may be, will consider the propriety of increasing the Commission, and will exercise the power of wholly suspending for a time the issue of Money Orders.

HOLLOWAY'S PILLS & OINTMENT.
HOLLOWAY'S PILLS.
His Medicine is universally admitted
to be the most efficacious remedy
known to the world. No preparation is
so suitable to the climates of India and China
as this fine and invigorating medicine. It
is particularly adapted to the constitution
of European ladies, as it is never failing in
its effects in all diseases peculiar to females,
while those who are attenuated by the de-
bilitating effects of the above climates will
find in this wonderful remedy a kind of re-
freshment whereby they may insure a restora-
tion to robust health.
HOLLOWAY'S OINTMENT.
The science of Medicine has never before
produced any remedy that can be compared
to this wonderful Ointment, as it cures
after all other means have failed, all
wounds, sores, ulcers, and also the most
incurable skin diseases peculiar to the cli-
mates of India and China. It is the true
friend of the Soldier and Civilian, as cer-
tain old sores can be removed by it that
cannot be conquered by any other treat-
ment.
